

Washington University 2016 Senior Survey

intro Welcome [FirstName]

Washington University is collaborating with other selective universities and colleges in a survey that provides graduating seniors with an opportunity to evaluate their undergraduate institution in detail, report on their plans for the future and assess their own learning. We hope that you will honor this opportunity and take the time to complete the survey. Your feedback will be critical to us by revealing how we perform as an educational institution and inform on our future efforts.

Your participation in this survey is voluntary. Responses to this survey will be kept confidential; statistics will be reported in summarized form in order to avoid identifying individual respondents. The survey will take about 15 minutes but it does not have to be completed at one time.

If you have any questions or encounter any problems while taking the survey, please contact studentsurvey@wustl.edu.
